

WOOD & Glory X
on
CLEAR LAKE, CALIFORNIA
May 30 - June 1, 2008

Water and beauty once again go hand in hand with the A.C.B.S.'s Tenth Annual Wood & Glory boating event on beautiful Clear Lake. Our base of operations this year is at the Ferndale Resort in the classically beautiful Soda Bay.

The weekend starts with a Woodie Whoopie pot-luck barbecue at the lakefront home of John & Mary Lahti on the Buckingham peninsula. You just bring your favorite thing to grill and a dish to share, and we'll provide tables, chairs, beverages, bread, and the atmosphere to make new and renew old acquaintances. Whether you come by boat, car, or ampicar, we'll accommodate you.

Saturday morning the "Conga Line" of classic wooden boats will gather in Soda Bay before heading off to Lakeport where the Chamber of Commerce has arraigned to greet us with live music from the gazebo and an outstanding catered lunch in the park. For our entertainment there will also be a classic car show with an expected 150 entries.

Saturday evening we will gather again for a fine dinner.

Sunday's "once in a lifetime all-American family picnic" will wrap things up for a great weekend.
