2025 Danville Concours d'Elegance - Danville d'Elegance Foundation

To Teri Bush <teri.bush@comcast.net> Copy Sandy Chase <sandy-chase@comcast.net> • Peter George <pegjr@live.com> • Mark Manes <sfbpmike@gmail.com>

Hi Teri,

Here is the link to the Danville d'Elegance event on Sept 21st. Mark suggested adding it to the website schedule.

The California Speedboat Association (CSA) has participated in past years and several chapter members brought boats as well. Peter and Jackie George have been very involved in organizing the event which benefits the Michael J Fox Parkinson's Foundation which is a very worthy cause. It is a first class event that mainly showcases exotic and classic cars...that is until Peter invited CSA to bring race boats over fifteen years ago. The entire block of East Prospect is set aside for boats and can accommodate up to twenty boats easily. CSA may muster 8 to 10 so it would be great if chapter members would attend.

Registration is done through the events website so nothing needs to be done on the chapters end. I have volunteered to organize the boats so if any ACBS members wish to come they need to register and contact me directly so I can keep track of the boat count and provide them with additional information. Get in touch if you need anything else.

Thanks,

Gene
